Dear Organisation Manager

**Notification of endorsement for charity tax concessions
For your information**

Enclosed is your organisation's *Notice of endorsement for charity tax concessions*.

Please note the following points.

- Your organisation's endorsement to access charity tax concessions, together with the date or period of effect, is entered in the public register maintained by the Australian Business Registrar at www.abn.business.gov.au
- Your organisation's endorsement is based on the information it has supplied. Your organisation is required by law to notify the Tax Office in writing if its circumstances change and it ceases to be entitled to endorsement.
- The tax laws do not require any particular intervals between self-reviews, but we recommend a yearly review. Your organisation should also carry out a review if there are major changes to its structure or operations.

! The government has announced that it will amend the 'in Australia' requirements in Division 50 of the *Income Tax Assessment Act 1997* to ensure that Parliament retains the ability to fully scrutinise those organisations seeking to pass money to overseas charities and other entities. The proposed measure will have effect from the date of Royal Assent of the amending legislation. For more information on this proposal refer to the 2009-10 Budget, Budget Paper No. 2 available at www.budget.gov.au
